

Imagine Kalamazoo! Make your voice known!

Come and go as you please; stay as for long or for as little as you like!

If you need a ride, sign-up with the Oakwood Neighborhood Association Office. Call #342-0129

With the generous gift of \$70 million dollars from local philanthropists, approximately \$30 million will be spent over the next three years on “Aspirational Projects,” which will include infrastructure improvements and programs within the City of Kalamazoo. *The question is whether or not any of this money gets spent to help improve the Oakwood (and Oakland Dr./Winchell, and Parkview Hills) Neighborhoods.*

This is your unique opportunity to tell the City what you specifically want/need/dream/imagine for YOUR neighborhood and for the City of Kalamazoo. Don’t make City government “guess”– tell them!

This Workshop is a joint event with the Oakland Drive/Winchell and Parkview Hills Neighborhood Associations because we share many infrastructure and natural resources (such as Woods Lake, the Oakwood Plaza area, and Parkview Avenue). Plus, there is strength in numbers!

At this Workshop you can make your ideas and wishes known regarding:

Specific improvement for the Oakwood Neighborhood by drawing on large format maps.

Better connecting our neighborhoods to each other as well as with other areas of the City.

Which of the numerous City-wide, big-picture goals you think are most important.

The City will compile the information from this and other City-sponsored Workshops by the end of 2016. In January 2017, the process of creating workplans for the resulting Aspirational Projects and programs will begin.

Bottom line: By making your wishes known NOW, it becomes more likely that they will be considered for future funding!
